The Right Way to Success

THE RIGHT WAY TO
SUCCESS

WELCOME TO MANCHESTER WAY TRAINING INSTITUTE

Manchester Way Training Institute is one of the most trusted names in the field of training in The UAE with an aim to foster learning and a vow to create better professional opportunities and armed with approved Govt. certification. We have mentored thousands of professionals in varied fields and helped them to reach their goals and provided outstanding career support to these professionals. The technology boom has magnified the significance of industry-specific training and in-depth knowledge.

Our pragmatic approach ensures that all students become fit to apply the ideas they have acquired, in real-life situations to get optimum results. Training programs and seminars are often held in excellent venues like five-star hotels to give the perfect learning ambience to the students. The experienced faculty makes learning an interactive and exciting process as they firmly believe that learning happens through discussions and not from monologues. Students are always encouraged to go beyond their limits and achieve greater heights which is echoed by the motto, "Empowering Minds". We take pride in molding our students to be capable of surpassing the challenges found in the complex work arenas. Apart from quality education and training, every student of our family get invitations for all free and educative seminars organized throughout the year.

TRAINING & IMPLEMENTATION

The International English Language Testing System (IELTS) is designed to help you work, study or migrate to a country where English is the native language.

IELTS, the International English Language Testing System, is designed to assess the language ability of people who want to study or work where English is the language of communication.

IELTS is recognized and accepted by over 10,000 organizations worldwide, including universities, employers, professional bodies, immigration authorities and other government agencies. For a list of organizations that accept IELTS scores IELTS Academic is for test takers wishing to study at undergraduate or postgraduate levels, and for those seeking professional registration. IELTS General training is for test takers wishing to migrate to an English-speaking country (Australia, Canada, New Zealand, UK), and for those wishing to train or study at below degree level.

Why Manchester Way for IELTS Training?

- Official Partner of British Council and IDP
- Professional and highly experienced trainers
- Individualized attention tailored to your needs
- Flexible timings to suit your schedule
- Guaranteed achievement of your desired score

Trusted Partnership: As an official partner of the British Council and IDP, Manchester way ensures quality and reliability in IELTS training.

Experienced Instructors: Benefit from the expertise of professional trainers with a wealth of experience in IELTS preparation.

Personalized Attention: Enjoy individualized guidance and support tailored to your specific learning needs and goals.

Flexible Scheduling: Manchester way offers flexible timing options, allowing you to balance your IELTS preparation with other commitments.

Score Assurance: With Manchester way, you can have confidence in achieving your desired IELTS score through our proven training methods and support.

Free Migration Support: Receive assistance with migration processes, making your transition to studying or working abroad smoother.

Placement Assistance: Benefit from support in finding job placements or internships after completing your IELTS training, ensuring a seamless transition to your professional or academic pursuits.

Introducing Our OET Training Program: Your Path to Success

Welcome to our OET (Occupational English Test) Training Program, designed to empower healthcare professionals like you to achieve excellence in English communication within your field. Whether you're a nurse, doctor, pharmacist, or any other healthcare professional, effective English language skills are essential for delivering top-quality care and advancing in your career.

What is OET?

The Occupational English Test (OET) is an internationally recognized English language assessment specifically designed for healthcare professionals. It assesses the language proficiency of healthcare professionals who seek to register and practice in an English-speaking environment.

Accredited Institution: Manchester is an accredited institution known for its quality OET training, ensuring that you receive top-notch preparation.

Experienced Tutors: Benefit from the expertise of experienced tutors who specialize in OET preparation, guiding you through every aspect of the exam.

Tailored Approach: Enjoy a personalized learning experience with tailored lesson plans and individualized attention to address your specific language needs and career goals.

Comprehensive Resources: Access a wealth of study materials, practice tests, and resources designed to enhance your OET preparation and boost your confidence.

Success Track Record: Manchester boasts a strong track record of helping candidates achieve their desired OET scores, with many students successfully advancing in their healthcare careers.

Free Migration Support: Receive assistance with migration processes, making your transition to studying and working abroad smoother.

Placement Assistance: Benefit from support in finding job placements or internships in healthcare settings after completing your OET training, ensuring a seamless transition to your professional career.
